1. Report on: One Day Sensitization Programme on "Curriculum and Syllabus Implemented under NEP 2020

<b>Action Taken Report (ATR)</b>			
<b>College Name: Regional College, Lilong Chajing</b>			
<b>EVENT OVERVIEW</b>			
Event Name	One Day Sensitization Programme on "Curriculum and Syllabus Implemented under NEP 2020" for college faculties and staff		
Event Date	29 <sup>th</sup> August 2022		
Theme of the Event	"Understanding and Adapting to the New Curriculum and Syllabus under NEP 2020"		
Total Days of Event	1 day		
Number of Faculty & Staff who participated in the program	TEACHING	NON-TEACHING	TOTAL
	59	7	66
Location	Seminar Hall, Regional College, Lilong		
Description of the event	The event began at 11:30 am with the active participation of the college faculties and staff. This programme aimed to provide a comprehensive understanding of the changes in curriculum and syllabus, highlight the new pedagogical approaches, and discuss the implications for teaching and learning processes.		
Plan of action	The plan includes organizing the committee, inviting resource persons, preparing promotional materials, conducting detailed sessions on NEP 2020, and engaging in interactive discussions. Post-event activities involve compiling an action report and organizing follow-up meetings for implementation strategies.		
Action Report	The One Day Sensitization Programme was successfully conducted on 29th August 2022, with active participation from all college faculties and staff. The sessions were led by distinguished resource persons who provided valuable insights into the NEP 2020 framework.		
Outcome/Impact of the activity	The program enhances awareness and understanding of NEP 2020 among faculties, better equips participants to implement new syllabus changes, strengthens collaboration among staff, and provides valuable feedback for future training sessions.		
Feedback	Participants found the program highly informative and valuable for understanding and implementing the new NEP 2020 curriculum.		

<p>Event photos</p>	
<p>Future Perspective</p>	<p>The insights gained from the program will guide future curriculum development and implementation, ensuring alignment with NEP 2020 objectives.</p>

2. Report on: One-day workshop on “Information and Communication Technology (ICT)”

<b>Action Taken Report (ATR)</b>			
<b>College Name: Regional College, Lilong Chajing</b>			
<b>WORKSHOP OVERVIEW</b>			
Workshop Name	Information and Communication Technology(ICT)		
Workshop Date	4 <sup>th</sup> February, 2023		
Theme of the Workshop	"Tech for Tomorrow: Innovate, Connect, Sustain!"		
Total Days of Workshop	1 day		
The Number of Students Participating in the program	MALE	FEMALE	TOTAL
	19	11	30
Number of Faculty & Staff who participated in the program	TEACHING	NON-TEACHING	TOTAL
	30	7	37
Location	Seminar Hall, Regional College, Lilong.		
Description of the Workshop	This one-day workshop aims to explore the innovative applications of Information and Communication Technology (ICT) in fostering sustainable development and digital transformation. Participants will engage in interactive sessions, discussions, and hands-on activities designed to showcase how technology can be harnessed to create a more connected and sustainable future.		
Plan of action	Promote the workshop, finalize logistics and agenda, host interactive sessions, collect feedback, and compile an action report.		
Action Report	The Workshop began at 11:00 am with the active participation of the teachers, students and non-teaching staff. The workshop successfully brought together over 50 participants . The sessions highlighted the critical role of technology in driving sustainable development and featured insightful discussions on smart cities, environmental sustainability, and digital workplaces.		

  
 Dr. M. Manjombi  
 Principal  
 Regional College  
 Lilong (NW), Manipur

Outcome/Impact of the activity	The workshop enhanced participants' knowledge of ICT innovations for sustainable development, provided practical skills through hands-on sessions, and facilitated networking with industry experts. Key outcomes included actionable insights for environmental sustainability, smart cities, and digital workplaces, along with valuable feedback for future improvements.
Feedback	Participants appreciated the rich content and networking opportunities, suggesting a few enhancements for future workshops to make them even more impactful.
Workshop photos	
Future Perspective	Plan to expand the workshop with more in-depth sessions, extended Q&A, and additional hands-on activities to keep pace with evolving ICT trends and sustainability needs.

### 3. Report on: One-Day “Catch the Rain: Rain Water Harvesting – 2023”

<b>Action Taken Report (ATR) on Seminar</b>	
<b>College Name:</b> Regional College Lilong, Imphal West Manipur	
<b>Event Overview:</b>	
<b>Event Name</b>	One Day National Seminar on “Catch the Rain: Rain Water Harvesting”
<b>Event Date</b>	18.02.2023
<b>Event Description</b>	<p>Mr. <i>A Roman Singh</i>, Assistant Professor Economics Department, Regional College took the initiative of welcoming all the dignitaries, resource persons and all the participants for the function. Mrs. <i>M Basanti Singha</i>, Assistant Professor Manipuri Department, Regional College highlighted the importance of collective thoughts in order to bring a change on changing pattern of climatic changes and why we need rain water harvesting at household level as a keynote speaker of the function.</p> <p>On the inaugural session, Sri <i>N.Joykumar Singh</i>, Vice Chairman, Governing Body, Regional College of participated as Chief Guest. In his Chief guest address, he emphasized the role of every individual in conservation of environment and advised for sustainable development specially in the field of Rain water Harvesting. Mr. <i>Y Sumil Singh</i>, Secretary Governing Body, Regional College, the Guest of Honour of the function reminded the assembled participants about how our ancestors use to conserve and harvest the rain water in traditional ways without large expenditure. He further narrated that the need of conservation of rain water is indeed necessary and crucial in order to overcome our present shortage of water. <i>Dr.M Memtombi Devi</i>, Principal, Regional College, Lilong presided over the function.</p> <p>Mr. N Herojit Singh, Senior Geologist, Geological Survey of India, Imphal Office, spoke on Geological aspects of Rain Water Harvesting as a Resource Person. Another resource person, <i>Dr.L Kamta Singh</i> from KVK Imphal West, ICAR Research Complex for NE Region, Manipur spoke on Different types of recommended rainwater harvesting structures for irrigation under local conditions. <i>Er.Gunajit Oinam</i> from KVK Imphal East, Andro our last resource person spoke on rain water harvesting and its efficient utilization to mitigate impact of climatic change.</p> <p><i>Ksh.Surnalata Devi</i>, Assistant Professor, Manipuri Department from T.S Paul Manipur Women’s College participated and spoke on topic: Need for Rain water harvesting.  <i>Dr. Kakchingtabam Amita Devi</i>, Hod, Geography Department, Regional College participated and spoke on topic: Rain Water Harvesting-A Boon to Humankind.  <i>Dr. Yunnan Ibetombi Devi</i>, Assistant Professor, Department of Philosophy Regional College, participated and spoke on topic: Importance of Rain Water Harvesting in Rural and Urban Areas.  <i>N.Sanahanbi Devi</i>, Assistant Professor, Home Science Department, Regional College participated and spoke on topic: Rain Water Harvesting.  <i>Dr. Ksh Ranjita Devi</i>, Assistant Professor, Department of Education Regional College, participated and spoke on topic: Rainwater Harvesting in Rural Areas in Manipur.  <i>Dr.Chingtham Santirudha Devi</i>, Assistant Professor, Department of Zoology, Regional College participated and spoke on topic: Importance of Rainwater Harvesting for Agriculture, Livestock and Aquaculture.  <i>Dr.Sorokhaibam Dhanapati Devi</i>, Assistant Professor, Department of Economics, Regional College participated and spoke on topic: Rain Water Harvesting for Sustainable Development.  Miss.Wangkheimayum Dhanapti, Assistant Professor, Department of Geography, participated and spoke on topic: Rainwater Harvesting Challenges, Problems and Future Aspects in Manipur.  Mr.<i>Chingsubam Meerathaba Meetei</i>, Assistant Professor, Department of Sociology, participated and spoke on topic: Why Does the World Need to Harvest Rain Water?-A Sociological Overview with Special Reference to The Case of Manipur.</p>

  
**Dr. M. Memtombi Devi**  
 Principal  
 Regional College  
 Lilong (W) Manipur

	<i>Dr. Y Romila Devi</i> , Assistant Professor, Department of Biotechnology proposed vote of thanks. The entire programme was co-ordinated with the support of the Principal, faculties of department of Manipuri and Biotechnology of Regional College, Lilong, Imphal West, Manipur.		
Total Days of Event	One (1)		
Participants' Details	<b>Male</b>	<b>Female</b>	<b>Total</b>
	23	75	98
Location	Seminar Hall, Regional College, Lilong, Imphal West, Manipur		
Plan of action	Department of Manipuri and Department of Biotechnology took up the initiative to organise the seminar in order to draw the attention from the participants about the present scenario of shortage of water in the state of Manipur due to negligence of importance of Rain Water Harvesting. The global warming is taking its toll on the climate pattern across the world. Rains have become unpredictable in nature with some regions suffering with usual than longer dry spells, while some regions are hit by incessant rain. Rain hit regions are unable to utilise or control the excess waters, that leads to flood-like situation. Rainwater harvesting can help overcome the problem of flood, while also helping in storing excess water that can help in providing water to the water scarce region. This renewable source of water management can help in overcoming major water-related problems, that are not only plaguing the world right now but can have a severe impact on the global population and environment in the future. Considering the relevance and its importance the theme of seminar was chosen by the organising Departments.		
Action Report	A One Day National Seminar on the theme "Catch the Rain: Rain Water Harvesting" has been conducted on 18 <sup>th</sup> February 2023 at Seminar Hall, Regional College, Lilong, Imphal West, Manipur in order to spread the importance of rain water harvesting. This seminar has been organised by Department of Manipuri and Biotechnology Regional College, Lilong, Imphal West, Manipur		
Outcomes/Impact of the activity	The entire session was an interactive session and the speakers answered many queries raised by the participants. The participants agreed on the followings points regarding the Catch the Rain: Rain Water Harvesting: Rainwater harvesting has been acclaimed as an exemplary method of water conservation, and is a "Green Practice". It involves the collection of rainwater from rooftops or other hard surfaces above the ground level prior to its loss as surface run-off. This method of water conservation indirectly supports the replenishment of groundwater and compensates for the exhaustion of non-potable water.		
Feedback	Participants found the seminar to be a very informative and interesting topic to discuss. The topic was also suggested to be very relevant with the present scenario of the water scarcity in the state of Manipur. The techniques highlighted by the resource persons regarding rain water harvesting was found to be very interactive and knowledgeable by the participants.

5. Report on: One Day National Seminar on "Biodiversity of Flora and Fauna of Manipur"

<b>ATR(Action taken report)</b>			
<b>College Name: Regional College, Lilong Chajing</b>			
<b>SEMINAR OVERVIEW</b>			
Seminar Name	National Seminar on Biodiversity of Flora and Fauna of Manipur		
Seminar Date	28th April 2023		
Theme of the Seminar	"Exploring Manipur's Rich Biodiversity: Flora and Fauna in Focus."		
Total Days of Seminar	1 day		
The Number of Students Participating in the program	MALE	FEMALE	TOTAL
	10	10	20
Number of Faculty & Staff who participated in the program	TEACHING	NON-TEACHING	TOTAL
	22	3	25
Location	Seminar Hall, Regional College, Lilong		
Description of the Seminar	This seminar aims to showcase and discuss the diverse flora and fauna of Manipur, highlighting conservation challenges, opportunities, and sustainable practices.		
Plan of action	Promote the seminar on Manipur's biodiversity through digital and local networks, secure a venue, arrange equipment, and invite experts for keynote addresses and panel discussions to explore conservation strategies and community engagement.		
Action Report	The Seminar began at 11:00 am with the active participation of the teachers, students and non-teaching staff. The seminar successfully convened stakeholders to discuss Manipur's biodiversity, emphasizing conservation strategies and community involvement.		
Outcome/Impact of the activity	Key outcomes included enhanced awareness, knowledge exchange among experts, and recommendations for future biodiversity conservation efforts.		

*Dr. H. Kumbong*  
**Principal -**  
**Regional College -**  
**Lilong (I/W) Manipur**

Feedback	Participants praised the seminar for its informative discussions on Manipur's biodiversity and suggested increased focus on practical conservation initiatives and community involvement.
Future Perspective	The seminar aims to foster continued collaboration among stakeholders, advance biodiversity research, and advocate for sustainable conservation practices in Manipur.

6. Report on: One Day Seminar on the topic "Spoken English"

<b>ATR Format</b>			
<b>College Name: Regional College, Lilong Chajing</b>			
<b>EVENT OVERVIEW</b>			
Event Name	One Day Seminar on Spoken English		
Event Date	24 <sup>th</sup> April 2023		
Theme of the Event	English as a Lingua Franca		
Total Days of Event	1 day		
The Number of Students Participating in the program	MALE	FEMALE	TOTAL
	28	27	55
Number of Faculty & Staff who participated in the program	TEACHING	NON-TEACHING	TOTAL
	20	02	22
Location	Seminar Hall, Regional College, Lilong		
Event Description	<p>The event "One Day Seminar on Spoken English" began at 11:00 am at the Seminal Hall of the college. Lenin Khoisanam, Assistant Professor of the Department of English delivered the welcome address followed by a Keynote by Basanta Maibam, Assistant Professor, Department of English; and the speeches of the dignitaries. There were 6 paper presenters and all of them are from the Department of English and 77 participants.</p> <p>Dr. A Meenoe Devi, HOD, English Department took the initiative to deliver a brief speech on the significance of the English language, a global language, its benefits and weaknesses. The event was concluded with a vote of thanks by Dr Thosmaojam Thajamaubi Devi, Assistant Professor, Department of English. It had been a successful event as it was conducted with the support of the Principal of the college; the teachers and students of the host department.</p>		
Plan of action	Awareness of the importance of the English language		
Action Report	<p>A Seminar on Spoken English was organized by the Department of English on 24<sup>th</sup> April 2023 with the theme 'English as a Lingua Franca'. All the teachers and students of the English Department attended the event. There were 6 paper presenters from the students. The audience encompasses the teachers and the students of other departments too.</p> <p>Dr. M. Memtombi Devi, Principal, Yumsam Sunil, secretary of the governing body and Dr. K Amita Devi, Head of, Geography Department were the dignitaries of the event.</p>		
Outcome/ Impact of the Activity	It was an interactive session. From the question-and-answer sessions, the participants got a chance to clarify their doubts. New insights and thought-provoking ideas were introduced.		

  
 Dr. M. Memtombi Devi  
**Principal**  
**Regional College**
