A Report
On
Career Counseling of Students

INTRODUCTION ON CAREER COUNSELLING OF STUDENTS, REGIONAL COLLEGE:

The Student Welfare Committee, Regional College provides an opportunity for students to learn life skills. This committee focuses on the development of the students through various programmes and awareness organized in the college campus. It allows the students to acquire leadership quality, time management, teamwork and hands-on experiences in various fields. According to NEP syllabus 2020, Manipur University imposed skill enhancement courses as mandatory to promote a learner-centric approach that encourages skill development and prepares students for real-world challenges. This will guide the students in strategies and career choices in their future.
