Gender Equity and celebration of days of National/International commemoration

7.1.1- Measures initiated by the Institution for the promotion of gender equity and institutional initiatives of celebrate/organize national and international commemorative days, events and festivals during the last five years(within 500 words)

Gender equity is one of the main concerns of the college. Endeavors have been made by the college to maintain a safe and secure environment for every individual. Accordingly, the college has set up the Women Development Cell (WDC) and Grievance Cell as per Section 3.5 (15) of the UGC guidelines of 2015. The college has also provided a girls' hostel with attached washrooms, an indoor stadium with separate changing rooms and washrooms for boys and girls. Along with it, male and female staff members as well as students have their own common rooms and washrooms. Sanitary pads are provided in the girls' common room. Moreover, awareness programs are organized on important days to create gender awareness. A complaint box is installed at the administrative block of the college to ensure an unbiased redressal of the problems. Additionally, to ensure the safety and security of everyone, CCTV surveillance has been installed on the campus. As per the NEP 2020 syllabus, Manipur University has included several papers related to gender studies to create more awareness on gender inclusivity. The college has adopted the said syllabus. For instance, "Gender Sensitization" paper is made compulsory to 2nd Semester Students of Sociology.
